Historic Designation

Serving as a carriage & wagon shop, blacksmith, paint shop and repository in the early 1900's, Da-Nite Service Station from 1931 to 1953, and most recently Courtesy Auto, 728 E 26th Avenue has been serving the Five Points neighborhood for 130 years.

Da-Nite Service Station, owned by L.H. "Smithy" Smith, was listed in the 1949 Edition of *The Negro Motorist Green Book*, an annual travel guide published from 1936 to 1964 that listed businesses like hotels, restaurants, and service stations that were safe and welcoming to African American travelers during the era of segregation and Jim Crow laws.

This announcement will be greeted by gas patrons of East Denver, that L. H. "Smithy" Smith, manager of the Da-Nite Service Station and Garage, has changed his wonderful plant of service to the popular Skelly lines of gasolines and oils.

Being ever alert to the rapid changes in this gasoline and oil development, Mr. Smith will now be able to suit and satisfy the Denver motorists with the latest and most modern gasolines and oils for their motor cars.

Everybody Knows, "Smithy" Smith

die is a former Kansas City boy and has ten years of experience as an auto mechanic. His repair work is guaranteed. He got his training with the U. S. Army during the World War and knows his automobiles from radiator cap to rear bumper.

Complete Skelly Line Sold

Da-Nite Service is featuring the new Skelly Air-Mix Tailor-Made Aromax Gasoline, on which they are making a sensational money-back offer on mileage.

HISTORIC PRESERVATION

Restoring Historic Uses

While the primary function of the building at 728 E 26th Avenue was a Carriage & Wagon repair shop, the space has always been an active hub for many trades. Courtesy Moto Co. plans to restore the building to a multi-use and vibrant hub to provide much-needed services and workshop spaces for the neighborhood.

To restore the blacksmithing use we will work towards providing specialized equipment and training for light metal fabrication, leather working, and 3D printing. To restore the repository ability, we will provide motorcycle storage for members.

↓ 728 E 26th Ave as shown on 1904 Sanborn Fire Map

This project aims to restore the familiar facade at the 1895 building and recreate the 1940's style advertisements that once existed over the doorways and along the side of the building.

Adjacent to the Rossonian hotel and across from a cluster of long-standing businesses, outreach, intentional conversations, and local partnerships will support developing this project to honor the historic community and cultural heritage of the building.

Funding Sources

There are local, state and national funds available for repairs, restoration, improvements, and even tax credits that support the preservation of historic structures like this one. Here are some examples we plan to explore.

Historic Preservation Grants

- National Trust for Historic Preservation
 - Repurpose Capital Loan Fund
- Federal Historic Preservation Program
- History Colorado- State Historical Funds
- State historic rehabilitation tax credits

Business Development Support

- Denver Urban Renewal Authority
- Denver Economic Development and Opportunity
- SCORE Association

Property Acquisition

- SBA 504 Loan
- Community Lender
- Personal Capital for Down Payment

Similar DIY Motorcycle Models

- Displaced Moto Co. - Brooklyn, NY
- Motorgrrrl - Brooklyn, NY
- Moto Shed - Seattle, WA
- Moto Guild - San Francisco, CA
- Eleven 10 Moto Garage - Phoenix, AZ

Partnerships / Sponsorships

- Denver Chapter of The Litas Motorcycle Collective
- Rider Justice - Colorado Motorcycle Lawyers
- Motorcycle Rentals Partner
- Riders for a Better Tomorrow 501c3

Seeking Startup Support!

Capital improvement costs include repairing and sealing the original brickwork, cement, and various openings throughout the building.

Necessary modern upgrades include HVAC, electrical, and plumbing.
