

PROJECT PROPOSAL

A vibrant hub for capacity building & connection, preserving a historic building in the Five Points neighborhood. The space will continue to provide mechanical services & local opportunities while fostering new collaborations at this vital corner.

Capacity Building

Preservation

Community

Collaboration

Incubation

Co-working

LOCATION DETAILS

Address: 728 E. 26th Ave. Denver CO, 80205

Square Footage: Building: 4,723 | Lot: 6,611

Year Built: 1895 | **Zoning:** U-MX-3

Parcel ID: 2352-08-041

Multi-Use

Visitors can easily flow from one activity to another within the same space; attending an event or training, working remotely, enjoying a coffee, getting a haircut, browsing retail items, shopping for their motorcycle and automotive essentials, servicing a motorcycle, and more.

Welcoming to all

With the light rail station a short walk away and bay doors wide open, neighbors and visitors can walk in and out freely, observing scheduled workshops, ongoing craftsmanship, and joining conversations around creativity and capacity building.

Neighbors & Friends

Five Points Neighbors and partners receive priority and discounts on membership & services.

MOTORCYCLE SERVICE & MEMBERSHIP

DIY Motorcycle Service Stations

Pay by the hour to gain access to a lift, full suite of tools and use of specialized equipment for your project. Work along side other DIYers, promoting conversation creativity and collaboration. First-come come first-served per lift availability. Priority given to members, neighbors, & partners. ~ **\$25/hour**

Professional Service

Prefer a more hands off approach to servicing your motorcycle?

Full service available in-house ~ **\$170/hour**

Tire Mounting & Balancing ~ **\$40/tire**

Membership Tiers

Entry Tier ~ \$100/month

- Dedicated motorcycle parking space
- Electrical Outlet access
- Priority access to DIY and Professional Service

- 5 hours/month of DIY Service Station time
- Project guidance / assistance from in-house technician

Top Tier ~ \$300/month

All entry + mid tier benefits +

- 10 additional DIY Service Station hours (15 hours total)
- Additional storage for parts etc.
- 24 hour access to the site; unlimited DIY hours "after hours"

*Monthly hours do not roll over

OTHER USES

Indoor Events

Visitors can attend a wide range of events in a unique setting year-round, from stand-up comedy and spoken word, movie nights and vendor pop-ups, to live music, art shows, educational presentations, themed gatherings and more!

Co-Working

A quiet, dedicated lounge with comfortable seating and stable Wi-Fi is steps away from the action. A private area will be available for virtual calls and meetings. Prefer to be closer to the action? Enjoy comfortable seating throughout the shop.

Barbershop

Waiting for your bike at the service station? Want to get a haircut in an exciting and bustling environment? Need a trim from a fellow rider? Look sharp wherever you go and have a seat at our on-site barbershop.

Workshops

Not limited to motorcycles; think crafts, welding, leather work and more. Learn about vehicle and motorcycle maintenance and how to use specialized tools and equipment, guided by our skilled technicians and guest speakers.

OTHER USES

Outdoor Markets

Leather goods, metal works, locally made food, and crafts; creatives from the community are one of the best parts of Denver Motorcycling, creating a vibrant mix of services and hand made goods that everyone can enjoy!

Motorcycle Rental

Visiting and need to rent a motorcycle? Rent a bike directly from a local rider with our partner. Get local route tips or join a group ride. Local and your bike down for service? Just want to test a new ride? Reserve in advance or see what's available right in front of you! Gear rental also available on site.

Retail

From motorcycle maintenance essentials like oil filters, engine oil, coolant and brake fluid, to Courtesy Moto Co. branded gear like hats, shirts and workshop coveralls we plan to have an assortment of goods available for purchase on-site.

Scale Up to More...

We're lucky to be neighbors to incredible coffee and food that you are welcome to enjoy while you work or wrench. We plan to scale up to provide in-house warm beverages and bites in the winter and refreshing drinks and local snacks in the summer.

PARTNERSHIPS

Denver Litas

Courtesy Moto Co. will serve as the HQ for the Denver Chapter of The Litas Motorcycle Collective. The Denver Litas believe in creating inclusive and welcoming non-judgmental spaces. Meet at Courtesy Moto Co. for the start of a group ride, join a workshop or event, and stick around in a friendly co-working environment.

Rider Justice

Discounted towing, sponsored tools for your next project, “Tiny Techs” classes for youth, and more are all made possible with Rider Justice’s partnership. Rider Justice Attorneys stand up for the biker community on and off the road.

RiseUp Community School Internships

Students from RiseUp will be able to spend up to 8 hours a week building their capacity and skills. Within a collaborative, helpful and educational environment, interns will learn about wrenching on motorcycles and/or automobiles; from routine maintenance to more involved projects.

Let's Roll!

Seeking partnership and furthering community vision.

COMMUNITY SERVING

Continuing Service

Having been an Auto Service Garage for the past 38 years, Courtesy Moto Co. plans to continue providing basic auto repair services to the local community. Services may be limited, but neighbors will not be stranded if they find themselves at a familiar location with a different name.

Legacy

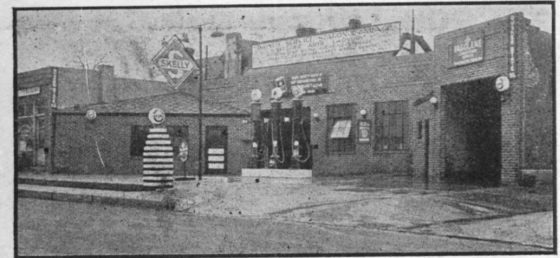

From incorporating the neighborhood voice, to preserving the customizations made to the building by the Cousin's family, the legacy elements at this site will remain intact, and buried history will be recovered. Historic photos will be on display and forgotten elements restored. It's an honor to steward this legacy.

Collaboration & Exploration

Future conversations will include community outreach and input process, collaboration with local business, and input sessions from additional partners that may include but are not limited to:

- Office Hours with Neighbors
- Legacy planning - Dr. Renee Cousins & family
- Denver Registered Apprenticeship Program
- Old San Rafael Neighborhood Organization
- Black American West Museum & Heritage Center
- Historic Denver - Guidance & support for restoration
- History Colorado - Funding for restoration
- Landmark Preservation Committee
- Five Points Business Improvement District
- Cole Neighborhood Association

This announcement will be greeted by gas patrons of East Denver, that L. H. "Smithy" Smith, manager of the Da-Nite Service Station and Garage, has changed his wonderful plant of service to the popular Skelly lines of gasolines and oils.

Being ever alert to the rapid changes in this gasoline and oil development, Mr. Smith will now be able to suit and satisfy the Denver motorists with the latest and most modern gasolines and oils for their motor cars.

Everybody Knows, "Smithy" Smith

The manager of Da-Nite Service Station and Garage is very well known in this section of Denver, and has many friends who like to trade there. Mr. Smith spent a number of years as a dining car waiter, where he learned the value of courtesy, service and a friendly smile. You'll find all of these at Da-Nite Service Station and Garage every time you visit it. Mr. Smith is a member of the Elks and is also an enthusiastic hunter.

Haskie Sadler, assistant salesman at Da-Nite Service, is also well known and well liked. He was formerly a Pullman porter, later entering the garage business with Mr. Smith. Haskie puts out the best wash and grease jobs in the neighborhood and puts out the kind of friendly service that makes 'em come back for more. Eddie Moore is the third member of the courteous and efficient Da-Nite service staff. Ed-

die is a former Kansas City boy and has ten years of experience as an auto mechanic. His repair work is guaranteed. He got his training with the U. S. Army during the World War and knows his automobiles from radiator cap to rear bumper.

Complete Skelly Line Sold

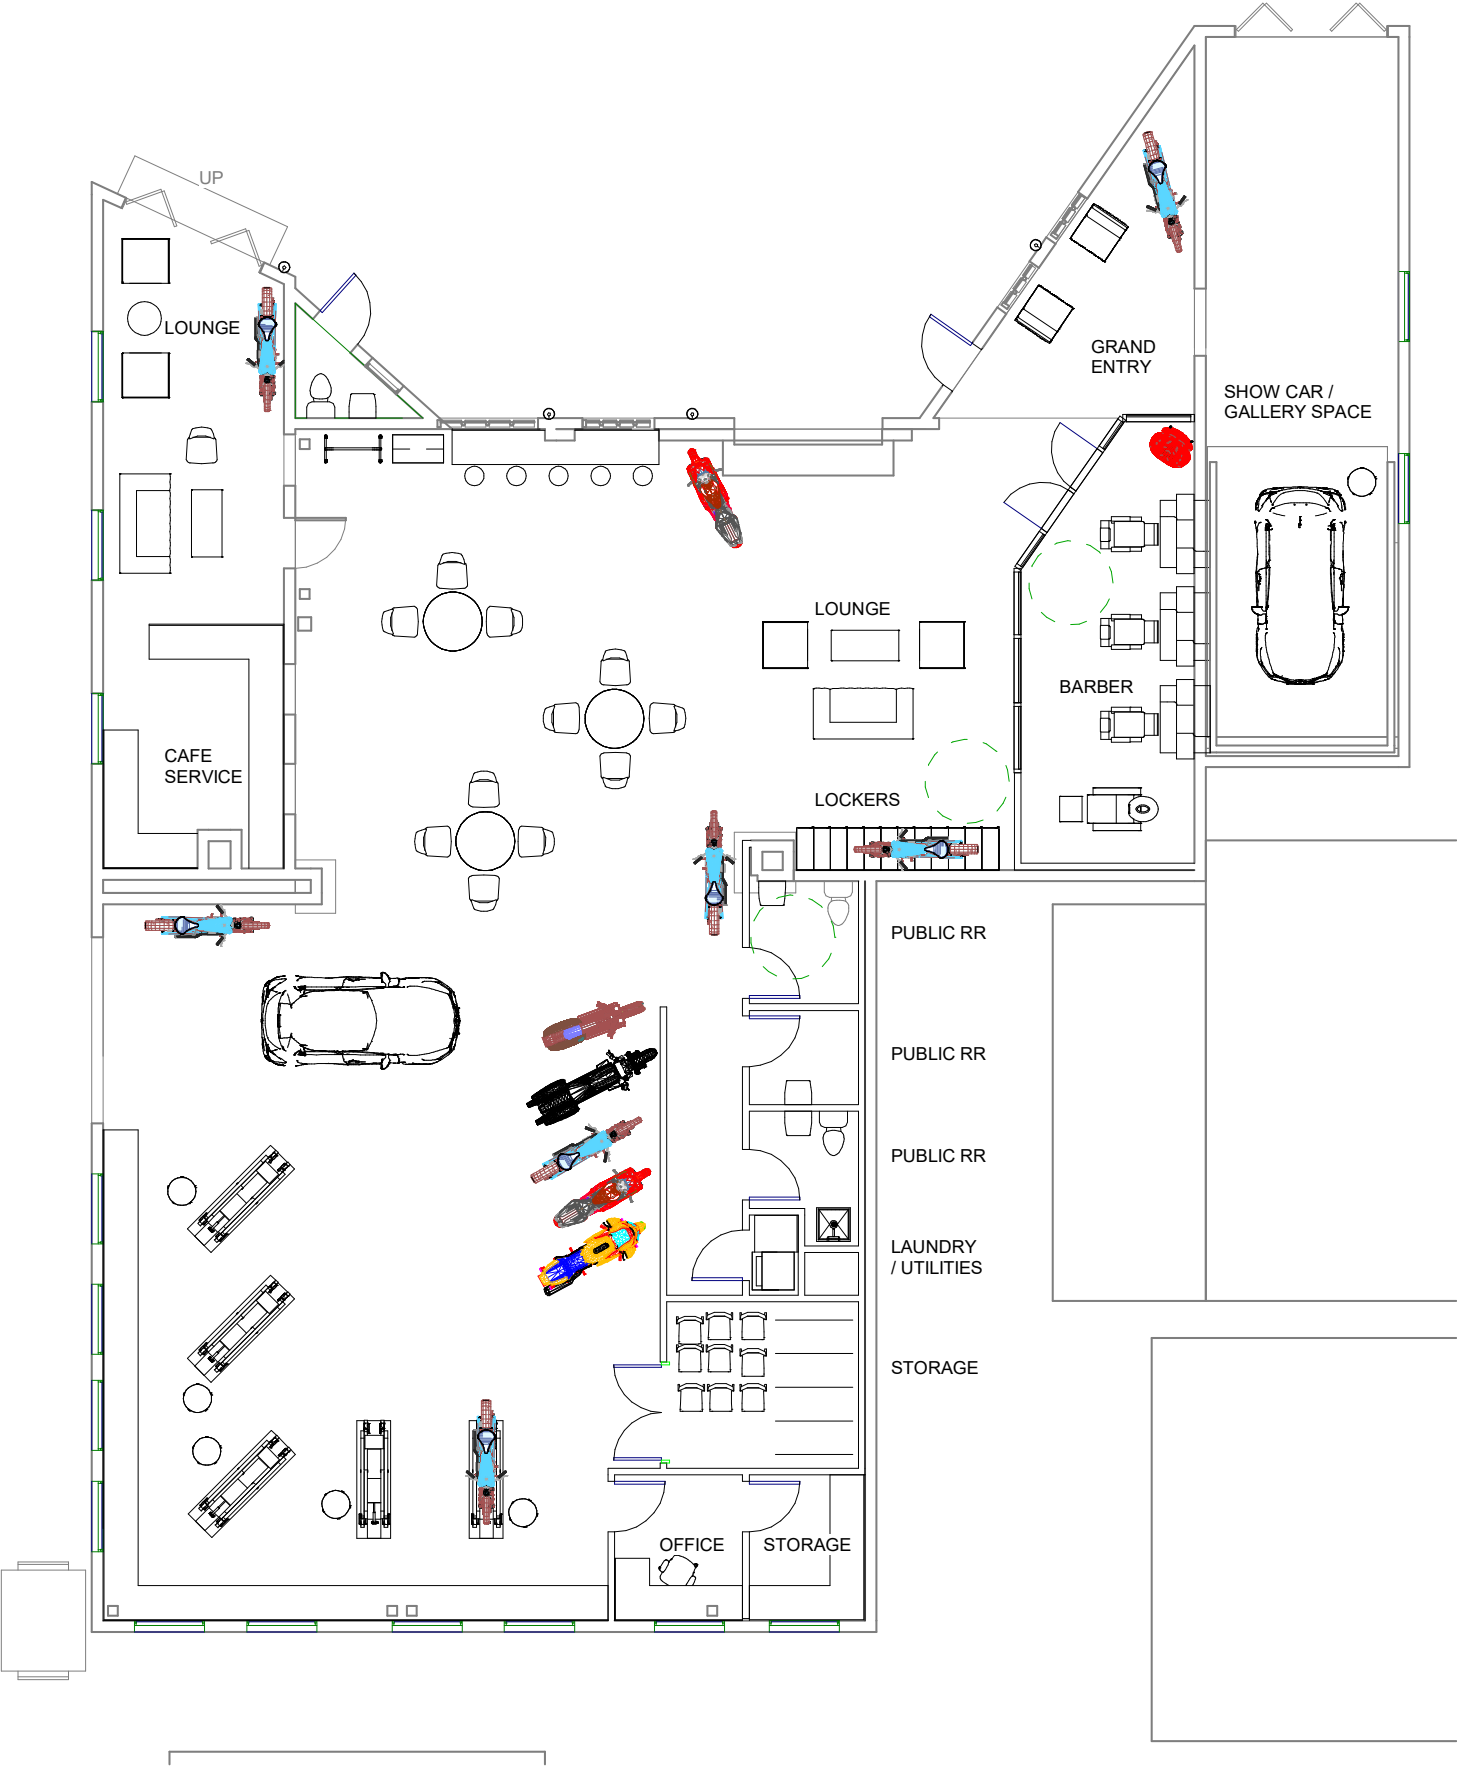

Da-Nite Service is featuring the new Skelly Air-Mix Tailor-Made Aromax Gasoline, on which they are making a sensational money-back offer on mileage.

Aromax Ethyl, the premium price gasoline, and Skelly Powermax, the lower price gasoline, are also sold. Tailor-Made Tagolene Motor Oil, made to stand abuse, is sold in sealed cans and in bulk. Universal Motor Oil, recommended for cars which use excessive amounts of motor oil, is also sold. Uniflo, a premium priced motor oil, is sold in sealed cans.

Electric washing, polishing and high pressure greasing are specialties of Da-Nite Service. Tagolene Greases, specialized lubricants for every automotive need, are used in the lubrication department. Skelly Kerosene is also sold at 728 E. 26th Ave.

Federal tires and Flour batteries are sold at Da-Nite Service and complete service is given to all tires and batteries. A stock of accessories and specialty products is carried for your convenience. Call Tabor 8647.

POTENTIAL FLOORPLAN

PROJECT PROPOSAL

Support this adaptive re-use project that will activate a historic building in Five Points at the 26th Ave and Welton corner as a community serving and capacity building space for neighbors, motorcyclists, and collaborators alike.
